## about EMILY

Hi, I'm Emily, the creator behind The Luxury Travellist. I started this site back in 2020 and have always maintained that my mission isn't just to give people the inspiration and confidence to dream big and travel far, but also to help revolutionise luxury travel and make it more accessible. That means unravelling some of the travel industry's biggest kept secrets, sharing tips and tricks for travelling smarter and making sure you experience the very best of each country.
